Crash fatality, five injured

One person is dead and five others seriously injured as a result of a head-on collision on Highway 118 Tuesday morning.

The accident, involving a Ministry of Natural Resources van and a station wagon owned by KinArk Child and Family Services, occurred one and a half miles west of the intersection of Bobcaygeon Road and Highway 118 (Vankoughnet Road) at 9:10 a.m.

According to the Minden detachment of the Ontario Provincial Police, the MNR van carrying four ministry employees was westbound when it was struck by the station wagon on a level section of the highway. The van was on the right hand shoulder of the road when the collision occurred.

A passing motorist telephoned the OPP and an emergency call went out to ambulance services in Minden, Haliburton and Bracebridge. Emergency vehicles from Haliburton and the Stanhope Fire

Department also responded to the call.

Adam Harden, 22, of Barrie, driver of the station wagon, was pronounced dead at the scene of the accident by Coroner Antony Holliday-Rhodes. A passenger in the station wagon, Paul Scott, 16, of Barrie was rushed to Ross Memorial Hospital in Lindsay then airlifted to Toronto General Hospital suffering undisclosed injuries.

The driver of the van, Cindy Rutledge and a passenger Kelly Newlands, both of Minden, were rushed to South Muskoka Memorial Hospital in Bracebridge.

The two other passengers in the van, Gary Clements and Bill Dehaan were taken by ambulance to Minden hospital then transferred to Ross Memorial Hospital.

On Tuesday evening a supervisor at the Lindsay hospital said that Bill

(more on page 3)

The twisted front end of the Ministry of Natural Resources van provides graphic evidence of the force of the impact experienced during the two vehicle accident Tuesday morning. The accident resulted in the death of one individual and serious injury to five others. Four Ministry employees were travelling in the van at the time of the collision.

Jeff Howe places second at Toronto Supercross

Eighteen year old Jeff Howe of Minden had his name in lights on Saturday after placing second in the ATV race at the Toronto Supercross.

It was a proud day for Jeff and his family as his name was flashed on the electronic scoreboard at Exhibition Stadium in front of over 45,000 fans.

Competing against eighteen of the top drivers in Canada, including Steven Stewart of Minden, Jeff raced his Honda 250R to a second place finish behind Jim Goertz of Niagara on the Lake.

The Supercross event is the largest motocross competition in the country.

As well as the ATV races, the event also features a motocross race, four wheel drive competition and a dune buggy race over the motocross track.

Jeff qualified for the race on Saturday by placing third earlier this month at the Big Bend track near Tillsonburg. The Supercross race took place on a temporary track prepared during the week prior to the race by dumping 500 truck loads of fill on the plywood covered field. After the race the fill is removed in time for the next Blue Jay game.

The ATV course covered

part of the twisting, turning motocross track including one jump which sent riders and machines flying for distances of more than 80 feet.

Track conditions were slippery due to the constant rainfall that began the evening before the race and continued throughout Saturday. But the muddy track conditions did not prevent Jeff from powering his way through the pack to finish second after five exciting laps.

The race turned out to be a disappointment for Steve Stewart. He was optimistic about his chances on Saturday before racetime. He had won three races in Tillsonburg and Owen Sound to qualify for the Supercross and had registered the fastest lap times during the practice round early in the day.

As Steve explained, he got off to a bad start, beginning the first lap in tenth place. He moved up through the field to fourth position at the end of the first lap and was passing Ken Avann on a corner when the third place rider slid out striking Steve's machine. Steve was able to regain control and attempted to pass Ken on the same corner in the second lap this time on the inside but again

his machine was hit, flipping Steve and his three wheeler off the track.

Steve was able to finish the race but is unsure of his finishing position.

However, Steve is philo-

sophical about the loss, noting, "There is always next year."

Both Jeff and Steve will be taking part in the Highlands Cup ATV series that begins on Saturday, June 29 at the ATV track in Minden.

Stanhope taxes increase by 12%

Ratepayers in the Township of Stanhope face an increase of 12.7% in property taxes in 1985.

The township budget was approved by council at a special meeting on May 22.

The increase means that a property owner who paid \$240 in municipal taxes in 1984 will be paying \$270.48 this year.

The budget calls for total expenditures of \$1,188,300. This is the first budget set by council that has exceeded the one million dollar mark.

The municipal mill rate is up by 5.45% to meet the township's proposed expenditures of \$479,900.

Of this amount, \$309,500 will cover operating and maintenance expenditures; \$88,200 will be spent by the township on road construction and maintenance and \$82,200 will be spent to eliminate the debt incurred by the township in purchasing property and equipment during the past

year.

The township's share of the county budget is \$88,754. This represents an increase of 1.5% over 1984.

The largest increase in the budget resulted from the Haliburton County Board of Education requisition which jumped by 18.5% to \$619,646. The combination of the three separate mill rates creates an overall increase of 12.7%.

Included in the 1985 budget is the rate of remuneration of council members which increased by 3% in each category.

Council passed a bylaw approving the rate at their regular meeting on June 12.

The yearly rate is retroactive to January 1, 1985 and remains in effect until the end of council's term in November. Under the new rate of remuneration, the Reeve will receive \$4,088, the deputy reeve will receive \$3,747 and councillors will receive \$3,407.

Astride the three-wheeled chariot that carried him to a spectacular second place finish on the weekend, 18 year old Jeff Howe, proudly displays the trophy he received in Toronto.

Skiers choose Highlands

The Canadian Ski Association has chosen the competitive course near Jim Beef Lake, west of Haliburton, as the site of the 1985 Ontario Provincial Cross Country Ski Championships.

The site was approved by the association's board of directors at the annual meeting last week in St. John's, New Brunswick, following a presentation by Art Ward and David Kennedy, members of the Haliburton Highlands Nordic Trail Association.

The trail association spokesman Curtis Eastmure said that the championship is the first event of its kind in the county and will attract over 200 athletes from Ontario and Quebec who will compete in seven races during the two day event.

The decision by the board of directors to award the championship to Haliburton County came as a surprise to Eastmure. "I didn't expect a competition that big initially," he said, adding that he was very pleased and excited by the news.

"The event will allow our members to get our feet wet with a big competition. Then we will see how things turn out and we will go for a bigger competition the following year," he said.

The 25 km competitive course meets World Cup standards, an event that the

trail association hopes to stage by the end of the decade.

Eastmure noted that while some work is still required on the course during the summer, "The course is marked and will be ready when the snow flies next fall."

In preparation for the provincial championship, an organizing committee will be formed later this month.

The first major cross country ski competition to be held in the county will take place on Saturday and Sunday, January 11 and 12,

1986. Eastmure expects the championship will be of benefit to local businesses. "This will be a big event, attracting a lot of people. It will be an excellent weekend for the resort industry because it is normally a slow weekend," he said.

Eastmure added that although there will be some costs involved, the Nordic Trail Association will be seeking sponsorship from Carling O'Keefe Breweries, a Canadian ski manufacturer and other private companies.

Driver charged following mishap

One charge led to another Friday when Provincial Police were called to investigate an accident on Highway 503 in Snowdon Township. The mishap occurred at 7 p.m.

According to the police, 20 year old Patrick Definney of Downsview was driving a 1976 model GMC pick-up truck when he braked suddenly to avoid traffic on Highway 503. As he did so, the truck veered off the roadway into some rocks and rolled on to its side.

Damage was estimated at \$1000.

Following an investigation of the incident, the man was charged with impaired driving.

The investigating officer also noticed a 1978 Honda motorcycle in the back of the truck. After checking the registration on the vehicle, the police discovered the motorcycle was reported stolen in Toronto almost a year ago.

As a result, Definney also faces a charge of possession of stolen property.

Petition circulates over hospital issue

The news that orthopaedic services may be discontinued at Ross Memorial Hospital in Lindsay has resulted in a strong protest from residents of Haliburton County.

As reported in The Times last week, the Board of Directors of the hospital is considering the closure of the orthopaedic unit due to budget restraints and a cutback in provincial funding.

Sonya Holliday-Rhodes of Minden told The Times that public concern over the possible cutback in services has prompted her and other residents of the area to circulate a petition protesting the move.

The petition asks "That the orthopaedic services be retained in the interests of residents and visitors in Haliburton County," and states, "We (the undersigned) feel that the health of elective and emergency patients may be jeopardized if these services are discontinued."

The petition asks the Board to seek assistance from Victoria-Haliburton MPP John Eakins, in acquiring sufficient funding for the hospital from the Ministry of Health to ensure

While graduation ceremonies for Kindergarten students are a serious matter, they are not necessarily a solemn occasion as these youngsters from Mrs. Bonnie Fitzgerald's Archie Stouffer class demonstrate. The young pupils were presented with their

graduation certificates Thursday by school principal McKay Brydon and then proudly posed with their scrolls and mortar boards. Teacher Bonnie Fitzgerald, left, and teacher's aide Christine Archer flank the students on their proud day.

the services are continued.

According to Mrs. Holliday-Rhodes, a number of volunteers will be seeking support for the campaign in Minden, Norland, and Carnarvon and that more volunteers are needed to carry the petition door to door in other areas, including Haliburton.

The volunteers intend to present the petition to a public meeting of the Board of Directors in Lindsay on Tuesday, June 25.

Mrs. Holliday-Rhodes asked anyone interested in helping with the campaign to contact her at her residence in Minden or telephone 286-3122 for more information.

Crash

(from page 1)

Dehaan had undergone surgery for a broken right arm. Gary Clements was due for surgery for a broken wrist and leg. Both were listed in satisfactory condition.

A spokesman at South Muskoka Memorial Hospital said that Cindy Rutledge had undergone exploratory abdominal surgery and was listed in satisfactory condition. Kelly Newlands had been treated for lacerations and would be held for observation for several days.

According to the investigating officer Constable Dave McMartin, no charges have been laid in the incident.

A chance to reflect

Each year at this time, parents relatives and friends gather at institutions of learning to witness graduation ceremonies. For those closely related to the individuals receiving the diplomas and awards, there is a sense of personal pride. Parents especially can be proud of their important role in the process.

While these ceremonies may be of direct interest to immediate family and friends, the community as a whole watches with interest and anticipation as the graduates move on to further educational opportunities or out into the mainstream of society.

As we pause to pay tribute to these graduates, we should also spend some time to examine the community and world into which we welcome them. That world, the world of today, bears our signatures as the ones who shaped and moulded it. We, as a group, are responsible for its flaws, its scars, its embarrassing shortcomings. Society can also take credit for those things which make the world an enjoyable, challenging and interesting place in which to live.

The annual sound of graduations gives us an opportunity to celebrate those who have succeeded. However, it also provides a yearly chance to examine our efforts as stewards of this globe and consider how we can make it a better place for those we welcome each spring. It's too late for this year's influx of graduates, but it is never too late to begin. Take a moment to consider how you could make the world a better place for next year's graduates. Then, do it.

Speak out

In addition to providing information about the community we serve, an important duty of this newspaper is to comment on issues of the day. We invite our readers to speak out as well, on matters they feel need airing.

Letters to the editor attract high readership, offer differing points of view on issues of importance and offer the opportunity for a free exchange of ideas, a vital part of a democratic society. This newspaper will always respect the right of citizens to be heard, within limits dedicated by legal restrictions and good taste. We ask that writers be willing to allow their names to appear with their letters.

Editor:

I would like to say thank you to all the people of Minden we as Christian Riders met over the weekend at the eighth annual Ride for Sight.

The people were most kind and helpful to a group of strange bikers invading the peace of quiet Minden. A special thanks goes to the police officers who gave directions and suggestions on tours of the area.

A personal thanks to the OPP officer who directed me to the local hospital and made sure I got there.

We as Christian Riders had a wonderful time in your area and hope to come back again.

Thank you Minden for your hospitality.

Janet McCreddie
St. Catharines, Ont.
Editor:

In watching the Minister of Finance during the budget speech when he spoke of de-indexing pensions for senior citizens, I thought he was out of touch with people. Mr. Wilson takes it for granted that people in their senior years are financially well off. Any people I have talked with are not agreeing with Mr. Wilson that they can afford to take a cut.

In the past, when pensions

for senior citizens were not indexed and did not keep place with inflation, it resulted in larger periodic increases when it was time to catch up. Sometimes, there never was a catch up.

A good example of large increases from time to time has been the salaries of Members of Parliament. They will go for several years without a raise and then receive a large percentage increase. That usually leads to a great deal of complaining from the public. We only need to look back to the last salary increase for Members of Parliament when they went up in the neighbourhood of 50%.

Our senior citizens do not want to be the brunt of complaints about significant increases in their pensions just on the doorstep of the next federal election. Nor do

they want to be bought off with increases in pensions just before the federal election in 1988 or 1989.

Our Member of Parliament was one of the Conservative M.P.'s to support Michael Wilson when he ran for the leadership of the Conservative Party. I hope that he will listen to the complaints of our senior constituents and will get the ear of Mr. Wilson. The pension changes are still to be voted upon and are not scheduled to take effect until January 1986. It is time for the federal government to reconsider the de-indexing of pensions. We are talking about people and people should never be taken for granted.

Bruce Glass,
1984 Liberal Candidate,
Victoria-Haliburton.

Liberals are ready

-by John Eakins, MPP-

While the Legislature moves toward a vote that will determine the fate of the government, Liberal Leader David Peterson's transition advisory group is moving smoothly along in its work.

The advisory group is charged with the responsibility of assisting the Liberal leader in preparations to

assume the duties of government should he be asked to do so.

"The work of the transition group is progressing very smoothly," Mr. Peterson said. "They are giving considerable time to analyzing the problems a

(more on page 5)

outdoors

Federation of Ontario Naturalists

Silently the prehistoric monster trundles forward, beneath the shimmering surface. One by one, the armour-clad legs raise, swing ponderously forward, then plant themselves into the ooze, splaying widely their mightily-clawed feet. It's an eerie, muffled world, amid the constant play of light, dark and shimmering gold. And at night, total, swallowing blackness. Deep sounds are garbled and indistinguishable; yet high, sharp sounds race and reverberate like sonic cannon-fire. Like the haze of time, the murk slowly parts, yielding to the ominous path.

Slowly, ponderously, her neck extends like a muscle-bound trunk, as eyes and nostrils break the surface. Then, down periscope, and onward. Coming across a mighty chunk of rotting carrion, the monster sets to work. Like mighty, hydraulic cleavers the knife-edged beak shears. Shaking and chopping her fetid prize, it's hacked into great chunks and downed, gulp by gulp.

Snapping turtles, malignant and feared by much of today's society, are in reality fascinating - and highly beneficial - animals.

Snapping turtles do not chase people. And, they cannot bite through broomsticks. But, they are no less fascinating than if they could.

Snappers are adept swimmers and hikers, occasionally venturing far into lakes, and even onto high land seeking new ponds. But, they spend most of their lives ponderously exploring the shallows of lakes, rivers and wetlands in search of food. For this life-style, they are superbly adapted - in camouflage, defences, sensors and behaviour.

Camouflage is particularly important to the snapper, which is slower moving than most turtles and incapable of drawing its appendages fully into the shell. So, it compensates. First, there is the secretive habit - the snapper "suns" by floating just below the surface, or laying on the bottom in shallows; it rarely emerges as painted turtles do.

Next, the turtle's back - called the carapace - is a dark, bumpy collection of hilly plates, which make it almost indistinguishable from a piece of rock or wood. And, with constant submersion, the carapace is often covered with a lush growth of moss-like algae. Protruding head, legs and tail are heavily armoured. Claws and powerful, hooked beak are effective both for defense and ripping apart food.

Perhaps the snapper's most important role is in clearing aquatic habitats of

(more on page 10)

Transition team working

(from page 4)

new government would face immediately, and devising ways to clear up the administrative machinery to allow it to function smoothly.

"I am pleased with the progress that has been made, and appreciative of the efforts that members have made."

The transition group - the members of which are giving their time freely - is primarily studying the structure of government, the structure of the premier's office, and the functioning of the decision-making process.

Members have formed small working groups in order to deal with specific problem areas and tackle their task with maximum efficiency. They have met almost every day since taking on the job on May 31.

In appointing the 10-member group, David Peterson took a major step toward his goal of making the government of Ontario representative of the new face of Ontario.

The group is well-prepared for that task. It includes women and men from every region of Ontario, people with successful track records in a broad range of public and

private endeavours.

The transition group includes members who have served and advised governments at all levels. Their ranks include municipal councillors who have had extensive experience in dealing with the provincial government.

In appointing the group, David Peterson said: "When I consider their backgrounds, two things come to mind - competence and concern. The range of their activities and the scope of their community involvement represent the best head start one would get in providing good government."

"They also help prove the adage that if you have an important task, you should look for a busy person."

The group is chaired by Martin Connell, chairman of the board of directors of Conwest Exploration Company Limited.

Mr. Connell has also served on the Advisory Board of the Metro Toronto Salvation Army.

The Transition Advisory Group also includes: educator Jean Augustine of Toronto; lawyer Mary Eberts of Toronto (originally from St. Thomas); farm operator Peter Hannam of Guelph; Dr. Ronald W.

Ianni, Q.C., president of the University of Windsor; Sudbury Regional Councillor Diane Marleau; teacher Joe Miskokomon, Grand Council Chief of Aishinabek; Dr. Ratna Ray, Calcutta-born former executive secretary to the National Unity Task Force; Toronto Executive Alderman June Rowlands; and business executive Abe Schwartz, of Mississauga, founder and president of the Computer Museum of Canada.

"This is the kind of talent that is needed to help pave the way for dealing with the major issues that face this province," David Peterson said.

Farm rates drop

-by Bill Scott, MP-

Agriculture Minister John Wise, announced on June 11 that interest rates charged by Farm Credit Corporation (FCC) will go down immediately. The new rates are the lowest the Corporation has charged since October 1979.

Loans under the Shared Risk Mortgage program are now set at 11 1/2 per cent, down from 12 per cent. The corporation's five-year fixed interest term mortgages are set at 11 7/8 per cent, a decrease from 12 1/2 per cent. The rate for 10-year fixed terms is 12 3/8 per cent, down from 13 1/4 per cent. Twenty-year fixed

term mortgages carry an interest rate of 12 1/2 per cent, a reduction from 13 1/2 per cent. The previous interest rate change was on

May 6, 1985.

from the chamber

Congratulations are in order for the Haliburton Kinsmen Club who survived another Home Show. This year's effort was probably the best yet and from all accounts the participants went home very happy with their exposure.

Accommodations

We would appreciate receiving information from accommodation people indicating what availability they have left for July and August. We have calls coming daily concerning cottages - in particular for the last weeks of July and first of August. Our phone number is 286-1760 - please call as soon as possible.

Winter events

The time is drawing near when we will be calling organizations and individuals to get dates for winter events. Please give some consideration to finalizing plans for winter activities so we can get your listing to the media and government publications. This service is provided by the Chamber

through our access to a variety of public events distributors. If you want to be listed ... give us a call.

Something to do

One of the requests we had many times at the Home Show was, "What can we do with our summer company?" Clip this list and save it for future reference.

Go Karting
Bumper Boats
Horseback Riding
Windsurfing

Now, MAKE PLANS to renovate.

Because renovation in Ontario is easier than ever before.

Start planning now, to meet your changing housing needs. Whether you need more space, more convenience, or want to upgrade existing features, renovation may be the answer. Renovation is a practical, economical way to make your home more comfortable, while creating jobs across the province.

The Government of Ontario has made renovation an easier, more attractive option for homeowners. We've added a special renovation section to the Building Code and helped to develop innovative ways to finance renovation, such as "RenoLoan". And to help you plan your renovation, we've opened the Ontario Renovation Information Centre.

Legion appoints manager

by Gerald Irish

The resignation of Don Johnston as manager treasurer was accepted at a special Branch 129 executive meeting. Don started with Branch 129 as manager five years ago. At the time he assumed this role, he stated he would handle these duties for a couple of years. He now feels it is time to pursue other career interests. I am sure all members appreciate the excellent work and knowledge Don has brought to his position and we wish him well in his future pursuits.

suits.

Don will continue his work with the Legion Band and assist the new manager accountant until he or she is more familiar with this role.

The executive of Branch 129 will select the new manager accountant on Monday evening, June 17.

Legion Carnival

July 23 and 24 are the dates for the annual Legion Carnival.

Jack McDonagh is the chairman of the Carnival Committee. Jack would appreciate hearing from

volunteers to help him with this large undertaking.

On the 23rd, games and rides will be in operation and the regular weekly Bingo will be held on Tuesday the 23rd instead of the usual night - Wednesday the 24th. This change is in effect for the Carnival days only.

Wednesday, the 24th will see the games, amusements, rides and food booths in operation. As well, in the evening, there will be the parade on Main Street and the dance and draw at the Legion Hall.

Bill Scott

machinery and buildings by a group of three or more farmers are available at an interest rate of 11 7/8 per cent, reduced from the previous rate of 12 1/2 per cent.

In the announcement Mr. Wise stated, "But the farm credit issue remains serious. That is why I was happy to receive the recommenda-

tions of the Bruce-Grey debt review pilot project six days before the Federal Budget was tabled. I am currently reviewing the recommendations and seeking the advice of members of the FCC

Appeal Boards. In addition, I want to consult my provincial colleagues in order to be able to identify new programs to assist those farmers who are facing financial difficulty".

Summer starts early for some

For a number of students at HHSS summer arrived a little earlier this past week as they heard the good news that they were exempt from writing any final exams. Those lucky individuals who began their summer vacation early include the following students:

Grade Nine

Alison Bain, Lorie Blackburn, Mike Carr, Jaro Cooper, Dwayne Cooper, Aaron Davis, Cindy Dunham, Tracy Emmerson, Chris Franke, Kimberley Hicks, Tyna Hie, Jennifer Klapow, Jackie Kleihauer, Kim McCracken, Rowan Meggison, Nora Morrison, Terry Noble, Sheldon Perry, Paul Robinson, Jeleen Schroder, Tracey Toye,

Charlena Warder, Tanya Willis and Chris Youngdale.

Grade Ten

Richard Beers, Gina Brohm, Chris Bunker, Jeff Chambers, Andy Cooper, Laura Cross, Darryl Goodall, Judy Finlay, Tammy Hughes, Tom MacLeod, Andrew Milne, Michelle Parish, Lyle Robinson, Cliff Smith, Lindsey Tashlin, Darren

Whittaker, Lisa Williams and Gord Wood.

Grade Eleven

Kevin Cowan, Jenni Gentle, Greg Hallman, Tony Hartin, Steve Hunter, Kim Mumford, Emma Posthethwaite, Barry Scully and Leanne Thomas.

Grade Twelve

Sue Ballantyne, Gord Blanchard, Cathy Craftchick, Debbie Denault, Patti Eade, Sue Fajar, Gayle Higgins, Alison Hill, Anita Kuno, Janet Lawson, Greg Lodenquai, Jack McKay,

Leigh McKinlay, Don Miller, Paul Milne, Lori O'Brien, Jeanette Pilcher, Todd Powell, Cindy Roodenburg, Sean Salvatori, Marlene Sanders, Sean Saunders, Mike Sawyer, Melanie Way and Rhonda Wilson.

Grade Thirteen

David Barry, Tara Davies, Angela Googh, Rob MacLeod, Mike Parish, Kathy Walsh and Tim Wessell.

Part-Time Students

Randy Grant and Shayne Yateman.

Staff members and associates of the KinArk Child and Family Services agency pose in front of the newly opened facility in Haliburton during the open house held Monday. Shown, from the left, front row: Kathy Stennett, Dorothy Easton, Mary Roberts, Joanne Wilbee, and Karin Macnab. Back row: Programme manager Malcolm Savage, Shelley Weiler, Mariann Helsby, Nancy Bussey, Luke Schell and Andre Breton.

KinArk opens new home

In 1984 a number of county service agencies, individuals and municipal politicians met with the Ministry of Community and Social Services (MCSS) to discuss the need for a family counselling service in the Highlands.

As a result of the concern expressed at the meeting, KinArk Child and Family Services, a province-wide, non-profit organization, funded by the MCSS, established a counselling facility in Stanhope Township. After quietly serving the community for the past nine months, the agency moved to a new home at the corner of Eastern Avenue and George Street in Haliburton earlier this month.

To mark the opening of the new facility, an open house was held on Monday June 17.

During the afternoon, the program manager Malcolm Savage spoke about the purpose of the program and the need it serves in the community.

He said the essential purpose of KinArk is to strengthen the family unit through marriage, family and individual counselling carried out by the staff of five full-time social counsellors and child care workers and a psychiatrist and psychologist who are associated with the agency.

The manager said that although there are referrals from local social agencies, the staff prefers families and individuals to approach the agency on a voluntary basis. He observed, "Although I thought people would have been very reserved about coming to us, that has not been the case. We have been very busy in the past nine months. Families have come

to us quite openly."

He explained that KinArk can offer assistance to children, teenagers and parents.

Child care workers can identify learning difficulties in children and offer assistance as well as helping children who have difficulties in getting along with others or who are upset over divorce or separation.

Teenagers can benefit from counselling he said, helping them with their own

special problems. "Teenagers see a lot of things in this world that don't make sense to them. Because of the vast amount of communications in contemporary society, they are exposed to much more of the world that their parents

were." This can result in depression and ultimately suicide which, he says, is the "third highest cause of death among teenagers in North America."

Depression among adults is also a major problem in society he said and one of the main concerns of KinArk. Unemployment, poverty, isolation and marriage breakdown are among the many contributing factors that create depression and conflict in families he said.

As to how effective KinArk can be, Savage commented, "We can help people. We can't force help on people who don't want it, but we can provide the staff and experts to assist people. It is too soon to say how effective we have been here, but because it is our policy to do a follow up, we will be able to assess how well we have done and how to improve."

Hustlers continue winning streak

The Minden Rockcliffe Hustlers remain unbeaten in the Tri-County Fastball League, but the competition seems to be tightening up at the half way point of the schedule.

Last Wednesday night the Juniors from Bobcaygeon came to town to play the Hustlers. This proved to be an excellent game, and to the fans who attended, a real pleaser.

Greg Newell was on the mound for the locals, he held the Juniors scoreless allowing them only 5 scattered hits and striking out 8 batters.

On the other hand the Bobcaygeon pitching held the Hustlers to just 4 hits, the big difference in the game was the home run over the centre field fence by Collin Newell in the first inning. The Hustlers scored one more in the sixth on back to back singles by Greg Newell and Rick Hartwick and a sacrifice fly by Barry

Hammond. Final score Rockcliffe 2, Bobcaygeon 0.

Woodville game

On Thursday night the Hustlers travelled to Woodville to play the Merchants. After the previous week when the locals soundly thumped the Merchants one would have thought that this would be no contest. With Lorne Jackson on the mound for Woodville, the Hustlers found themselves in a game. The Rockcliffe

boys came up with 1 run in the third inning on singles by Rick Hartwick and Jack Snell, two more runs in the fourth inning came on errors by the Merchants.

The Hustlers picked up one more unearned run in the sixth inning. Snell on the mound for the Hustlers was the big difference as he struck out nine batters and allowed only 2 hits to record his sixth victory of the year.

It should be added that there were some fine defen-

sive plays by the locals, especially by Tom Haley and Bob Hammond. Final score Rockcliffe 4, Woodville 0.

This week the Hustlers play a home and home series with Lindsay Town Rental. They play here on Wednesday at 8:00 p.m. and on Sunday travel to Lindsay for the same 8:00 p.m. start.

Haliburton Juniors lose first game

On Tuesday, June 11th the high flying Haliburton Junior team lost their first game of the season to the Minden Dixie Lee Seniors. This was a hard fought contest with the Juniors ahead by 1 run at the top of the seventh inning. With 1 out and 2 runners on base, Helen Burk hit a double scoring 2 runs and ending the game at 14 - 13. Nelda Cully was on the mound for the winners and Marg Smith pitched for the Juniors. In Gooderham the same night, Wilberforce defeated the home team by a score of 10 to 2.

The previous night saw the Minden Dixie Lee Seniors travel to Haliburton and lose to the Haliburton Seniors 14 to 8. Good batting by Marlene Nimigon and Jody Ainsworth helped Haliburton record the win. In Minden, Gooderham defeated the Junior team by a score of 21 to 10. Karen Dewey and Eileen Simmons shared the pitching duties

for the winners.

On Wednesday night in Haliburton the two Haliburton teams played each other with the Juniors defeating the Seniors 12 to 2. The Seniors recorded this loss despite a 9 strike-out night by Wendy Roberts and a "catch of the week" by Betty Whiteway. In Wilberforce that night the Minden Juniors recorded a win over the home team. Centerfielder Jody Dillon of the Juniors

made a great catch to retire the side with loaded bases.

Last weekend a team wearing Minden Senior uniforms but comprised of players from several teams travelled to Woodville for a 1 day tournament. Unfortunately they lost 2 games to Orillia but enjoyed the comradie and sunshine.

Standings at the end of the week were: Minden Seniors 12, Haliburton Seniors and Juniors 10, Wilberforce, Gooderham and Minden Juniors with 4 points each.

huge quantities of dead and dying animals. While they're opportunists which will eat any slow-moving animal they can catch, the bulk of the diet is carrion. Imagine our lakes and waterways if the rotting carcasses of fish and other animals simply accumulated.

Drawn through superb olfactory senses to putrescent scents and oils wafting from the carcasses, snappers consume and digest this material, converting it into its own life, and into nutrients to begin the cycle afresh.

Over the next 3 weeks or so, females will make their annual egg-laying pilgrimage to the sandy spots used by millenia of forefathers. Out they'll lumber, usually by night, crossing roads and gardens. Those that make it will laboriously dig pits, then drop their 20-or-more ping-pong-ball eggs, and bury them. Exhausted, they'll struggle back to the water.

The eggs which aren't consumed by predators - most are eaten by skunks, racoons, birds and a host of other predators - will rest 50 to 100 days in their sunbaked incubators. Intriguingly, sex is determined not by simple genetics but by temperature - those at 20 degrees C or 30 degrees C will produce females, those at 24 degrees C, males, and fluctuating temperatures a variable mix.

They're certainly bizarre animals. Yet, their presence, essentially unchanged, over the last 70 million years, bears testament to superb adaptations.

Watch for those snappers. They deserve a new look. And protection.

Minden Lake annual meeting

submitted

On June 8, at 2:00 p.m., the annual meeting of the Minden Lake Ratepayers' Association was held at the Wild Water Hall. A good representation of members was in attendance.

Matters under discussion were: the treasurer's report; the 66' shoreline allowance; lake water testing; stocking of the lake by the Ministry of Natural Resources; the Status of Cox Hills Estates; Minden Lake T-shirts; marking of dangerous shoals and stumps; the 1985 - 1986 membership fee; assistance to projects in Minden; a lake regatta or fun day; a rock bass derby; and other matters of concern to members.

The newly elected Minden Lake Ratepayers' Association Executive for 1985 - 86 are: president, Bern Berry; first vice-president, Wally Baker; second vice-president, Wesley Kent; secretary, Doreen Berry; treasurer, Stan Trevor; and executives at large, Ross Codlin, Harry Crumb and

Pat Kent. Bern Berry accepted the uncontested presidency on the condition that if elected to the Anson, Hindon and Minden Municipal Council on

November 12, he would step down and Wally Baker would be elevated to the position of president.

Members decided that a Pot Luck Supper would be

held on July 20 from 4:00 p.m. on, with dinner at 6:00. The event will take place at the Berrys, with all members and family welcome. Prizes will be awarded to children in attendance for the largest rock bass catch from Minden Lake up to July 20 ...count-in to take place July 20 at the social.

In his closing remarks, Bern Berry thanked the members for their continued support and their generous donation of \$100.00 to the Minden County Town Museum.

Details of the rock bass derby and family pot luck supper can be obtained by calling the Berrys at 286-2925. After adjournment, members socialized with coffee and sweets.

Secretary, Doreen Berry

Water levels

On June 10 the Haliburton Lakes held 95.4% of their normal maximum depth of water for summer. A decline of 1.7% had occurred during the preceding week while flows coming from the Gull and Burnt Rivers were a little higher than their respective minimums.

The Kawartha Lakes have held just near their full levels

with only a small decline from June 10 to 14. Flows were reduced to just higher than minimum required for downstream obligations on the Otonabee and Trent Rivers.

Only showers with low probabilities were predicted for the weekend June 15, 16; so it is likely that some stored water will be needed by the week of June 17.

Kickers even record

The Haliburton Dixie Lee Soccer team has evened their season record at three wins and three losses following a game Sunday afternoon. The team defeated the visiting Orillia City at a game played on the HHSS field.

Orillia drew first blood in the game, scoring the only goal of the first half. The visitors were able to dominate the play, as the Haliburton squad tried a new five forward attack. The change in strategy left some players uncertain as to their position and responsibilities on the field, however as the game progressed, the team became more confident with the system.

It wasn't until the second half that Haliburton got on the score board. The first goal came from Tom Eager who scored from a scramble in front of the opposition net, following a corner kick. The goal came early in the second half.

About halfway through the second period, Ivor Thompson scored on a strong effort. Thompson was being shadowed closely by an opposition player when he obtained control of the ball, moved to within 16 yards of the goal and drilled the ball into the opposite corner of the net.

The team practices this Thursday at Archie Stouffer Elementary School field in Minden. Sunday they travel to Bracebridge for a 1 p.m. game against Muskoka Sun.

SUNDAY BRUNCH

commencing June 23

\$8.95 per person

10 a.m. - 1 p.m.

The Haliburton Kinsmen Club Home and Vacation Show proved to be a popular success this year attracting an interesting cross-section of displays and a large number of visitors. Those attending the show were able to talk to area merchants, craftspeople and service representatives about the many and varied products available in the Highlands. One of the more popular booths at the Exhibition was the Haliburton ARC Industries woodcraft display, seen above.

NOTICE

(FILE 5-85)

IN THE MATTER OF the Municipal Act; and
IN THE MATTER OF a proposed By-law of
the Corporation of the Townships of Anson,
Hindon and Minden to stop up, close and
convey to the adjoining landowners parts of
the 66 foot road allowance between Lots 2 and
3, East and West of Milne Street, Registered
Plan 1, Village of Minden.

NOTICE IS HEREBY GIVEN pursuant to
Section 301(1) of the Municipal Act R.S.O.
1980, as amended, that the Council of the Cor-
poration of the Townships of Anson, Hindon
and Minden at its regular meeting to be held in
the Municipal Council Chambers, Milne
Street, Minden on July 11th, 1985, proposes to
consider and, if deemed advisable to pass a
By-law to stop up, close and convey the above-
noted portion of road allowance more
particularly described as follows: -

Part of the road allowance between Lots 2 and
3, East and West of Milne Street, Registered
Plan 1, Village of Minden, designated as Parts
1 and 2 on Plan 19R-3262.

AND FURTHER TAKE NOTICE that before
passing said By-law at the meeting to be held
at the time and place mentioned, the Council
shall then and there hear in person or by his
Counsel, Solicitor or Agent any person who
claims that his or her land will be prejudicially
affected by the said By-law and who applies to
be heard.

DATED at MINDEN this 30th day of May,
1985.

(Ms.) Beverley Anne Millar,
Clerk-Treasurer,
Townships of Anson, Hindon and Minden,
Box 98,
Minden, Ontario
KOM 2K0
705-286-1260

The plan of survey referred to herein is avail-
able for perusal at the Municipal Offices
during normal office hours.

NOTICE

MINDEN SWIM PROGRAM

REGISTRATION for swimming classes will
be held at the Municipal Offices on Saturday,
June 29th, 1985, between 11:00 a.m. and 2:00
p.m.

Red Cross classes for yellow to white levels as
well as a Bronze Medallion/Bronze Cross
group will be offered.

The program will run from July 1 to July 26.
The following rates which include busing will
be charged:

\$20.00 per child
\$50.00 per family of 3 or more

Class grouping, times and bus schedules will
be available at registration. All classes will be
held at Twelve Mile Beach.

For further information:

Beverley Anne Millar, A.M.C.T. (A),
Clerk-Treasurer,
Townships of Anson, Hindon & Minden
(705) 286-1260

Will Packard graduated with a Bachelor of Applied
Science Degree in Electrical Engineering from the
University of Toronto. Will is a graduate of Hali-
burton Highlands Secondary School and is the son
of Mary and Russell Packard. He is presently
employed by Semi-Tech Microelectronics in Mark-
ham.

you don't smoke

Why pay for the fires of those who do?

Careless smoking is a major cause of fires in the home. At Maplex General, non-smokers enjoy competitive rates that reflect the improved risk they represent.

Non-smokers also enjoy comprehensive and up-to-date coverages. There are three homeowner plans from which to choose as well as plans for tenants or condominium owners. And, there's a full range of optional coverages available.

Good value in both coverages and price are good reasons why non-smokers should choose Maplex General Insurance.

JASCO DRUG MART OPERATED BY JACK AUSTIN DRUGS LIMITED

Ingoldsby United Church

by Gladys Francis, November 1981

Long before the white man came to Haliburton County, the Indians found their way by the waterways. They settled along the shores of the lakes and hunted and fished for a living. They had a burial ground on what is known as Puffer's Island in Lake Kashagawigamog. Kashagawigamog is an Indian name meaning 'long and narrow water'. Many relics left by the Indians have been found along the shores of the lakes, and human bones have been unearthed on Puffer's Island. One of the oldest settlers remembered an Indian woman saying she was one hundred and ten years old; so the living must have been very good for the Indians at that time.

When the first white man arrived, they too settled mainly along the lakes; depending on the waterways for transportation. In 1858, Minden Township was surveyed, and the white man travelled the waterways from Minden to Ingoldsby. Portaging where necessary, they gradually worked their way eastward.

In the spring of 1859, Charles Austin with his wife and family, came to Ingoldsby to settle. From then on many more families came to claim land along the shores of the lake and settle, but first they had to clear land to build a house, and to grow their crops and garden. Their houses and other buildings were built from logs they had cut and roughly hewn. Grain was grown and taken to Minden to the mill to be ground into flour. A few cattle were brought in to supply meat and milk, and gradually the farms were stocked with other animals and with hens for eggs. Teams of oxen were used to help clear the land.

For some time the settlement of Ingoldsby was known as Roseneath, but the Government advised that there was already a town by the name of Roseneath, and suggested 'Ingoldsby', which is the name of a town in Germany.

Soon a bridge was constructed across the Narrows, and a road was made which joined the Strickland Road. Now it was possible to draw the logs to a spot below Ritchie Falls and float them down the Burnt River to the Strickland Lumber Company.

Land began to be taken up along the Burnt River, and the settlement was known as Egypt. Later, however, when the Post Office was established here, the name was changed to Lochlin. About the same time the settlement at Ingoldsby became established, Allsaw was being settled too, for it also was on the waterway.

Other than saw mills, none of these settlements can boast of any industries, although Ingoldsby at one time, had a cheese factory. The farmers drew their milk in very large cans to the cheese factory to be made into cheese, which incidentally, sold for about five cents a pound then. How time slips by and prices change!

FAREWELL SERVICE, INGOLDSBY, FOR REV. G. C. SMYTH AND MRS. SMYTH SEPTEMBER 1949

Fish were plentiful in the lakes in those days. There were many fur-bearing animals which were trapped and the pelts sold. Butter and eggs were exchanged at the stores for sugar, flour and clothing.

In 1862, when a Methodist minister, the Rev. Peter Sparrow, came up from Minden, the church services were held in the peoples' homes. Rev., Wm. Sheridan, a Wesleyan Methodist minister, covered a territory spreading over eight townships. Most of this had to be covered by foot or on horseback, for there were no roads yet where he had to go. Their salary was three hundred dollars, and they had to supply their own horse and keep their own house.

After people began to settle in Egypt (Lochlin), they heard about Roseneath (Ingoldsby) having church services in the homes and many walked through the bush just to attend a religious service and prayer. In 1864, a log church was built on the west side of the Narrows for the use of the Episcopal Methodists. This building was used for a school until a school was built, and also for the Loyal Orange Lodge meetings.

In 1888, a frame church was built on the same site as the present church. Rev. W. B. Tucker was the minister at that time.

On July 10th, 1925, the United Church of Canada was formed by a union of the Presbyterian, Congregational and Methodist churches and on November 1st of the same year, the Ingoldsby church was transferred from the Minden Mission to the Haliburton Mission with Rev. C. C. Miller as minister.

In 1928, the congregation decided the church needed extensive repairs, so a new building was erected of brick, with an entrance from either side at the front of the church. It

had a fence all the way around with one large gate for horses and rigs, or Model T Fords, to enter, and a small gate for walking through. There was a drive shed along the back fence where the horses were tied during the service. Municipal snow ploughs were few and far between in those days.

The Allsaw, like the Ingoldsby Mission, was part of the Minden Mission until 1930, when, by rearrangement, it was made part of the Haliburton Mission. In 1960, the Allsaw church building was sold as the attendance was very small, except during July and August, when some summer people came. So ended the era of Allsaw church. There was only one other church at Ingoldsby. This was the Baptist church which was built in 1906 on the lake site. This church remained idle for a number of

years and now has been turned into a private home.

The Haliburton Mission became self-supporting during the ministry of Dr. Gordon C. Smyth, between 1944 and 1949. Gordon also formed a young peoples' group jointly between Lochlin and Ingoldsby, which was quite a going concern for some time.

In 1963, a new part was added to the back section of the church, and a new entrance made on the north-west side. This was during the ministry of Rev. Geo. Petrie.

After 1945, when the Mission became self-supporting the ministers were: Dr. G. C. Smyth 1944 - 1949; Rev. T. Rutherford 1949 - 1954; Rev. C. Manning 1954 - 1956; Rev. W. Armitage 1956 - 1960; Rev. G. Petrie 1960 - 1966; Rev. R. McCaw 1966 - 1970; Rev. F. Clappison 1970 - 1973; Rev. D. Nicholson 1973 - 1980; Rev. J. James 1980 - present.

by Bert Harrison

Well readers, I'm starting this letter on the seventh day of June. To tell you what's happened here and try and keep in tune.

It is a sing song time and we have special guests. Mr. and Mrs. Sidney Price from British Columbia, long time friends of the Coburns, Mr. and Mrs. Harry Cowan and Harry's sister, Muriel Hewitt. Grace led us in a singalong, also had some humorous poems. We sang many numbers, Grace has a lovely voice, and sure knows how to do it. Norma Barron played the music so well for the singing. Between the two of them much pleasure they are bringing.

Much activity here over the weekend and roundabout. Some coming to visit relatives and others to take them out. Winnifred Johnson's both sons came to visit their mother. Mary Oliver had company too, and there were many others, which was just fine. Our son Roger and wife Barbara came to visit and stayed with me to dine. The ladies who live next door to me, in room one hundred and two, they are a busy couple now, I'm telling you. Edna Cowan and had her son David and wife come to visit his mother all the way from Parry Sound.

Again a good service in the Chapel, Sunday night. The Thompsons were there, Ruth to play the music, Harold to read the lesson, and also lead in prayer.

Sorry there were not too many there to hear it. Rev. John spoke very interestingly on Psalm 34, verse 18. "The Lord is nigh unto them with a broken heart and serves them with a contrite spirit".

We have Marjorie Shuyler in hospital, under Doctor's care - don't know how long she will be there.

Linda showed us movies Monday night, for all who came to see it. "Handcrafts of Nova Scotia", "Winter of the Witch" and "Garden of the Great Spirit".

They keep the grounds lovely here at Hyland Crest. Our maintenance men spend many hours mowing lawns, trimming hedges and looking after flowers. Even Edna Cowan has started planting flowers. As our maintenance men keep working hard to keep our place looking nice outside, our cleaners work day after day to keep it nice inside.

Tuesday morning Rev. Wicks of Minden Gospel Church delivered a very interesting message to all who came, on Psalm 91, verse 14. "Because he has set his love upon me, therefore I will deliver him, I will set him on high because he has known my name."

Wednesday morning Doris said, "Before we load you on the bus, let me give

you children some advice, we're taking you to Gelert Gardens for lunch, please treat the waiters nice. Just sit wherever they place us, and

don't do anything that will disgrace us." To keep us in our places, we had lots of volunteers, some quite young, others on in years.

After we had eaten and again were highway borne, we decided we'd come back by way of Buckhorn. The country was beautiful and as we drove along, Linda played her guitar for a good old singsong. As we drove along at a steady pace, and how the highway varies, we came to where they were picking and selling huge strawberries. They sure were a large size. Before we left our gang had picked 35 boxes. We all enjoyed ourselves, it was a real treat. We just got back in time to Hyland Crest to sit and eat.

Wednesday night was Earl Cooper's night to come and entertain. He and Kathy came to us again. When Earl, Kathy and I were playing some lively tunes Russell Robertson and wife got up and danced around the room. Then we were pleasantly entertained by the Haliburton Men's Masonic Choir. The way they played and sang for us, some day they will go up higher. We would like to say a big thank you, which is only right, for the way we were entertained on this musical night.

The Minden A.C.W. Ladies brought in and served a delicious lunch this 13th June day. Father George and Mrs. Elliott and little daughter came too, by the way.

We would like to thank Steve Crowe for coming to call the Bingo numbers Thursday night. Edna Cowan said she won 5 bingos - she surely did all right.

Hyland Crest wins award

Hyland Crest Senior Citizens' Home has received the Health Care Occupational Health and Safety Association's (HCOHSA) Accident Prevention Achievement Award for the year ending December 31, 1984.

The award is presented by the HCOHSA to health care facilities having the lowest frequency of lost time injuries among its staff.

This is Hyland Crest Senior Citizens' Home's third Award; the home previously received the Award in 1980 and 1981.

"Hospitals, nursing homes and homes for the aged are classified in eight different categories, based on firm type, and hours worked annually. Awards are presented each year to those facilities in the province with the best safety records", Doug Callan, General Manager, Ontario Hospital Association, HCOHSA explained.

"Of the 184 hospitals, 98 nursing homes and 32

homes for the aged in Ontario participating, 32 have earned the award this year. All health care facilities in the province are eligible to receive the award.

Chairman of the Committee of Management of the home for the aged, Mr. Robert McCausland said, "I would like to congratulate all the home's staff on earning the Accident Prevention Achievement Award. An effective accident prevention program can only be achieved with the co-operation of all staff members, and it's up to each individual to ensure his own safety and the safety of those around him."

"The staff of Hyland Crest Senior Citizens' Home have demonstrated great responsibility, both individually and collectively, in earning this award. On behalf of the residents, the community and the Committee of Management, I would like to add my personal thanks and congratulations."

around the county town

Call 286-1288 — 9 a.m. - 4 p.m.

The following poem was brought in to the paper by Chris Dollo of Minden whose brother in law wrote it. It was originally published in the Glenrothes Gazette, a Scottish newspaper, and Chris felt she would like to share it with all of our readers.

Retired miner Andrew Hogg (69), 8 Croft Crescent, Markinch, has submitted the following poem which was written 40 years ago, but is still relevant today.

Andrew, who penned the poem while serving with the army in Holland, started working at the tender age of 13 in the Kinglassie pit when it was owned by the Fife Coal Company.

Come! and view this mighty scene
Yet, only if thy purpose keen
To see; believe; not merely glance.
To hear, and feel a thrill. Perchance
A battle royal your soul impress,
Fought mid a Stygian wilderness

The blue, the green, the freshly wind,
Halt, but to stamp it on thy mind
Let's to the mine, Man's clever craft,
Of wheels, and cage, and sunken shaft.
Whose tentacles, the strata pierce
In search of a jewel, black and fierce

Smooth the descent, no muscle taut
Drip dripping walls, foul smelling draught,
Ere we jerk, and jerk, and gently are,
Set down amid such noise and glare
Power that throbs, and thud-and clang
Complete with a cursing Dante's gang

See waggon on waggon hurtle forth
To the mills, and ships, and fireside hearth,
Who eat their load, and reckon naught,
To the warm red glow, so dearly bought
E'en now the empties go racing past
To where the burrowers are broadcast

Come! follow in their echoing wake
Carefully choose each step you take
Duck and dodge each sagging beam.
Draped with fungoid growth agleam.
How warm it grows: I need not tell
Of the sweat that flows in inner Hell

A rest? Oh yes that man-hole there,
There's room to sit, and can you hear?
The approach of another laden train.
They're spewing it out from the three-foot main
The lad on the clip yet sings a song,
In depressing tunnel borne along,

Off again, and the road gets worse.
Still no sign of the bloody source
This substance black, and cruel, and hard.
Bought in blood and sweat per yard.
Patience man! conserve thy strength,
For here is the face, and hell at length.

Now we see it, the seam itself
And pouring from the loading shelf,
The explosive-shattered harvest comes.
Into the waiting waggon drums.
And fills and fills, until a chain
Is on its way, and ready again.

There amidst the holocaust
Supreme in all its noise and dust,
Man labours; and sweats; and dies.
And yet a thousand graves defies.
'Tis effort but to breathe alone
Far less fight the crushing stone.

Dare we crawl upon the bench?
And bite the choking powder stench,
And trust this row of puny props.
Come! it very seldom drops
Hear it creak above the din
Of blast, and pick, and belt machine.

Look! see how the fuel is won.
'Tis not a case of brawn alone.
Craft, keen minds, the fight endure.
Alert for danger is every hewer,
Whose bobbing lamps are now agleam
Amidst the dust and body steam

Now with pick and shovel attack,
Bend, and bend, and bend the back.
Slowly but surely wins it free.
To his skill it bends the knee.
He pauses but to dash the sweat
Ereets a prop to stay the threat.

What? ask you the thoughts that stray
Behind his streaming brow today
'Only a fool, I've always said,
Would labour at this collier's trade.
Ah well — 'tis all I've known
'Tis bread for my loved, my own."

With a heave and toss, his thoughts a goad
The belt receives its precious load,
Huge and rough-shaped at this stage.
Coal goes on its pilgrimage.
Enough! you've seen enough I guess.
Come! let's from this wilderness.

Thank you Lord, for the sun, the flowers
The breeze in my face, the pleasant showers.
The music of the birds; the stream.
For my love as she smiles in a dream.
I almost forgot, my fire bright,
Thanks for its glow on a Winter's night.

A. Hogg.

Florence and Phil Robinson were guests at a lovely June wedding on Saturday June 15 when Heather Morrison and Wayne Cockburn were united in marriage. The wedding took place in St. Andrew's Presbyterian Church in Lindsay. Heather is the daughter of Mr. and Mrs. Stewart Morrison of Lindsay and Wayne is the son of Mr. and Mrs. Paul Cockburn of Woodville. Wayne is the great-nephew of the Robinsons. We wish the newlyweds many years of happiness.

The Craft group of ladies need some quilters to finish up the quilt set up at the Library Centre Common Room. This quilt is to be raffled off this summer and tickets will be available at Country Fabrics and Crafts and other locations.

Zion United Church choir are presenting an entertaining musical evening at Zion United Church in Carnarvon on Tuesday, June 25 at 7 p.m. Limited tickets are available at \$3 each and strawberry dessert and refreshments will be served following the performance.

Club 35 card party winners this week were - most lone hands: Bill Cowan. High man was Len Trodd while High lady was Edith Russell. The door prize went to Murray Daniels and the other winners included Sadie Fraser, Lou Pennick and Len Trodd.

Rotary bingo is held each Tuesday evening at the Minden Community Centre and last week the winners of \$100 Nevada tickets were Lois Titus and Joan Kernohan. The door prize went to Alice Sedgewick and the last game for a full card went to Dora McCracken. Kathy Thorn won the snowball of \$175 in the numbers called. Congratulations to all the winners.

Museum Card Party winners last Thursday at the Library/Cultural Centre were - lone hands on a cut - Flo Dollo and Johann Beattie, other winners were Martha Mansfield, Pat Moore and Joe Dollo.

Muriel Ewing of Toronto was a Sunday guest with the Milton Sears' and Sandra and Logan Moth returned home with her.

All good wishes to Bob Cook (Canning Lake) who is a patient at Ross Memorial Hospital in Lindsay. We are also pleased to report that Milt Sears is much improved after a week's sojourn at the same hospital.

Heartiest congratulations to Sue (Kightley) and Jim Hatkoski who were married Saturday in Ebenezer United Church in Scarborough. We wish the happy couple a long and joyous future.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

Q: Why are weary people like automobile wheels?
A: Because they are tired.

Q: When does the sun get the best of an argument with the dew?
A: When it makes it dry up.

Q: What fish is seen at night?
A: A starfish.

Q: What fish makes a good sandwich?
A: A jellyfish.

CARD OF THANKS

To friends and relatives who made our surprise 25th Wedding Anniversary party such a happy event. Thank you with love from James and Eleanor Gilligan. To our children Erin, Shaun, Shari and Gillian, who organized this gathering, we are looking forward to the fiftieth.

IN MEMORIAM

PROCENKO: In loving memory of someone so very special, Michael.

God broke our hearts to prove to us
He also takes the best
The blow was hard, the shock severe
We never thought his death so near
Only those who have lost can tell
The pain of parting without farewell.

Always in our thoughts.
Mom, Dad and Lisa

PROCENKO: In loving memory of our friend Michael, taken from us June 23, 1978.

Sunshine fades and shadows fall
But sweet remembrance outlasts all.

The Beers Family
